Cigna SureFit at a glance

Benefit construct	In-network only
Out-of-area coverage	Temporarily out-of-area: Emergency and most urgent care services are covered at the in-network benefit level without an authorization.* Telehealth services are also available out-of-area. Permanently out-of-area: If a family member is living permanently out-of-area, an alternative Cigna Healthcare plan will be offered for the whole family.
Dual Option	Cigna SureFit may be offered alongside a Cigna Open Access Plus® (OAP) plan.
Primary Care Provider (PCP)	Employees and each covered family member must choose a PCP at the time of enrollment. If they do not, one will be assigned to them. They can change their PCP at any time.
Care coordination	While not required, your primary care provider (PCP) can help coordinate care and guide employees to in-network specialists when needed. Referrals are never required for emergency care or for visits with in-network OB/GYN or behavioral health providers.
Virtual care	Nationally contracted virtual providers and specialists are included in network.
Service model and technology	Get questions answered through convenient AI assistants or live phone advocates 24/7/365.
