Finding a dentist in our directory is easy.

Is your dentist in your plan's Cigna Healthcare℠ network? The Cigna Healthcare online directory makes it easy to find who (or what) you're looking for.

Search your plan's network in four simple steps

Step 1

Go to **Cigna.com**, and click on "Find a Dentist" at the top of the screen. Then, under "How are you Covered?" select "Employer or School."

(If you're already a Cigna Healthcare customer, log in to **myCigna.com** or the **myCigna® App** to search your current plan's network. To search other networks, use the **Cigna.com** directory.)

Step 2

Change the geographic location to the city/state or zip code you want to search. Select the search type and enter a name, specialty or other search term. Click on one of our suggestions or the magnifying glass icon to see your results.

Step 3

Answer any clarifying questions, and then verify where you live (as that will determine the networks available).

Step 4

Optional: Select one of the plans offered by your employer during open enrollment.

That's it! You can also refine your search results by distance, years in practice, specialty, languages spoken and more.

There are so many things to love about Cigna Healthcare. Our directory search is just the beginning.
